

SAN FRANCISCO  
STATE UNIVERSITY

# William N. Bigler Scholarship

**Deadline: September 20, 2007**

The Department of Biology is soliciting applications for the William N. Bigler Scholarship to recognize the achievements of outstanding graduate or post-baccalaureate students.

Scholarships in the amount of \$500/each will be awarded to students in the Biomedical Laboratory Science Master's Degree program in the College of Science and Engineering or the Clinical Laboratory Science Internship Program in the College of Health and Human Services.

## **Criteria:**

1. Must be currently enrolled for a minimum of 6 units.
2. Must have a strong record of academic achievement.

## **Requirements:**

1. A completed application form.
2. A current unofficial copy of SFSU transcript and a current class schedule.
3. A one page personal statement of study plan and professional goals.
4. A recommendation letter from SFSU academic advisor or research mentor.

**Submit completed application packet to  
Professor Lily Chen, Department of Biology HH 546**
